

## **2011-12 GRADUATING SENIORS PROGRAM**

The Graduating Seniors Program was developed to recognize the achievements of those individuals graduating from high school who have made the commitment to continue their training in figure skating while pursuing their academic studies.

The purpose of this program is to honor and credit those qualified graduates for their achievements during their high school years through the presentation of a certificate to the skater during a school function or recognition opportunity.

To further applaud the achievements of the individuals awarded, U.S. Figure Skating will publish the names of the recipients on both the U.S. Figure Skating High School Programs webpage as well as in SKATING magazine.

The Graduating Seniors program was reintroduced in 2011, with the goal of encompassing a greater spectrum of athletes deserving of this honor. Recognition is proudly awarded on behalf of the Program Development Committee of U.S. Figure Skating to those high school graduates who meet the necessary application criteria.

Following the application deadline and review process by U.S. Figure Skating, Graduating Seniors Certificates will be mailed to the listed point of contact at the athlete's school, and an e-mail will be sent to the athlete notifying him or her the certificate has been sent.

To be considered for this award, applicants must complete an online application on or before March 1, 2012. The application is available at <http://fs12.formsite.com/USFSAIT/form294/index.html>.

The Graduating Seniors Program consists of four level designations awarded within the program. Certificates will be awarded to individuals based upon the highest skating achievements during high school as noted on their application.

Questions regarding this program can be directed to Brenda Glidewell, U.S. Figure Skating programs manager, at [bglidewell@usfigureskating.org](mailto:bglidewell@usfigureskating.org) or 719.635.5200.
