Re: Pairs – Spin Features Clarification

For the 2010-2011 Season- Clarification for Pairs from ISU Communication 1611

The following features can only be achieved one time per spin

Solo Spin Feature

8) At least 6 rev. without changes in pos./variation, foot, edge (camel, sit, layback, difficult upright)

Pair Spin Feature

7) At least 6 revolutions without any changes in position/variation and foot (camel, sit, difficult upright)

Reason- ISU Communication 1611 does not state that it counts twice if executed on both feet
