

2018-19 Ice Dance – Calling Clarifications for Novice and Below

The information in this document supersedes the 2017-18 Ice Dance Calling Clarifications for Novice and Below.

Deviations from ISU Communication [#2164](#) are noted in blue.

Novice

Pattern Dance – *Key points may NOT be viewed in slow motion.*

Required Number of Sequences Not Skated – U.S. Figure Skating Rule 6075 (E)
Side to Start Error Calling Specifications – U.S. Figure Skating Rule 6075 (H)

Free Dance – Step Sequences

The not touching step sequence will be called using Choreographic Step Sequence specifications and the in-hold step sequence will be called according to Style B specifications, regardless of the order in which they are performed.

Intermediate

Pattern Dance – *Key points may NOT be viewed in slow motion.*

Required Number of Sequences Not Skated – U.S. Figure Skating Rule 6075 (E)
Side to Start Error Calling Specifications – U.S. Figure Skating Rule 6075 (H)

Free Dance – Lifts

The full doughnut/ring position for the lifted partner will continue to be considered as a difficult position on its own (difficult hold/Interaction between partners not necessary).

Step Sequences

The step sequence will be called in accordance to Style B specifications.

Spins and Combination Spins

Spins and combination spins will be called in accordance with ISU Communication [#2164](#) (*without* difficult entries/exits).

Juvenile

Pattern Dance – *Key points may NOT be viewed in slow motion.*

Required Number of Sequences Not Skated – U.S. Figure Skating Rule 6075 (E)
Side to Start Error Calling Specifications – U.S. Figure Skating Rule 6075 (H)

Free Dance – Lifts

The full doughnut/ring position for the lifted partner will continue to be considered as a difficult position on its own (difficult hold/interaction between partners not necessary).

Spins and Combination Spins

Spins and combination spins will be called in accordance with ISU Communication #2164 (*without* difficult entries/exits).

Synchronized Twizzles

Basic Requirements: Both partners complete at least one full rotation for the twizzle. The synchronized twizzle will be identified but given no level when one or both partners skate less than one full rotation each.

Calling Specifications:

1. If one or both partners touch(es) the free foot down during the execution of the turn, the level will be assessed in accordance with the number of clean rotations before the touchdown.
2. If the skaters perform a three-turn, check rotation and then start a twizzle, the entry edge and the number of rotations of that twizzle will be counted after the three-turn from the starting edge of the proper twizzle.
3. If there is a full stop before the twizzle, the level of the twizzle will be reduced by one level.
4. Synchronized twizzle executed as a spin or as checked three-turns:
 - If up to one rotation becomes a spin or checked three-turns, the synchronized twizzles will be reduced by one level.
 - If more than one rotation becomes a spin or checked three-turns, the synchronized twizzles will be called Level 1.
