- 3066** Non-U.S. citizens who are members in good standing of U.S. Figure Skating and have never competed internationally for another national skating federation may enter U.S. Figure Skating qualifying competitions if qualified by test level.
- 3067** Non-U.S. Citizens who are members in good standing of U.S. Figure Skating and have competed internationally for another national skating federation will make application to the chair of the Competitions Committee by submitting a Non-U.S. Citizen Application to Compete. This form is available online at [www.usfigureskating.org](http://www.usfigureskating.org)
- A. Singles skaters must have resided in the United States and cannot have competed for a foreign federation for one year preceding the date of the first competition the skater wishes to enter.
- B. In the case of pair or dance couples, one partner of the couple must be a citizen of the United States. The non-U.S. citizen partner must have permission from the foreign federation of the country of which the skater is a citizen.
1. Siblings who are skating together as a couple, both of whom are under age 18, are excluded from the requirement that one partner be a U.S. citizen as long as all other requirements of 3065 through 3072 are met.
- C. A non-U.S. citizen may compete for a U.S. synchronized skating team provided that:
1. The foreign federation of the country of which the skater is a citizen provides permission;
2. The skater has not represented a foreign federation in the course of the same membership year (July 1 through June 30);
3. At least 75% of the team members are citizens of the United States.
