

Summary of Corrections Made to the 2017-18 Rulebook since 07/1/17 Posting

July 17, 2017

- **Page 46**
 - Corrected rule ICR 5.04 (B)(3) to include the World Junior Synchronized Skating Championships (originally the World Synchronized Skating Championships were listed twice).
- **Pages 168-170**
 - Corrected rules 4580, 4590 and 4600 as they pertain to the test requirements. For these levels – Adult Silver, Adult Bronze and Adult Pre-Bronze – the test requirements have not changed, except in how they are formatted within the rules. They do not follow competition requirements, so the language in the “Program” headers was corrected accordingly.
- **Page 272**
 - Revised the required judging panels for the new Special Olympics/Therapeutic Skating moves in the field tests to list the levels required for the three-judge panels in addition to the single-judge panels.
- **Pages 279-280**
 - Revised the required judging panels for the new Special Olympics/Therapeutic Skating free skate tests to list the levels required for the three-judge panels in addition to the single-judge panels.
- **Page MITF-69**
 - Corrected the description of the Special Olympics/Therapeutic Skating Pre-Bronze 3 description (Forward Crossovers) to allow the transition between the two circles to be on two feet.

July 25, 2017

- **Page 160**
 - Corrected rule 4240 to list the beginning date for the juvenile/open juvenile age change as February 1, 2018.

August 17, 2017

- **Page 219**
 - Corrected rule 6570 to add test requirements for the “other partner” for the Adult Pre-Silver Dance Event that were inadvertently omitted.
- **Page Dance-54**
 - Corrected the drawing of steps 15 and 16 in the diagram for the Paso Doble – Man.

October 12, 2017

- **Pages 162 and 163**
 - Clarified spin requirements for preliminary and pre-preliminary free skate tests.
- **Page 184**
 - Corrected the pair spin requirements for the novice pairs short program.

April 27, 2018

- **Pages 150, 151, 153, 154, 156,157, 159-163 and 167**
 - Clarified jump requirements for all free skate tests.
- **Page 174**
